Contact: Nicholas Lopezzo Marketing Manager, Gatorade Partner Services nicholas.lopezzo@pepsico.com

Founded in 1985, the Gatorade Sports Science Institute (GSSI) is committed to helping athletes optimize their health and performance through research and education in hydration and nutrition science.

The Gatorade Sports Science Institute is built on three main pillars: Research, Education and Sports Science Service:

- Using research, GSSI aims to lead in the field of sports nutrition, generate ideas, support new product development and improve recommendations to athletes.
- Through education, GSSI translates complicated science into practical applications.
- Utilizing sports science services, GSSI helps athletes obtain a better and more detailed understanding of their body and provides key benchmarks.

Headquartered in Barrington, IL, GSSI has additional labs in order to service more athletes and increase research capacity. The GSSI Performance Lab at IMG in Bradenton, FL concentrates on North American sports and hot weather conditions. GSSI's newest lab in Mexico City focuses on testing athletes both in the lab and on the field to provide personalized nutrition plans for improved athletic performance.
