X-GOLF AMERICAN FAMILY FIELD CONTINUED

At X-Golf AmFam Field, our technology creates a “wow factor” for all guests. Whether you are an avid golfer, curious golfer, or even a non-golfer, we are proud to offer a place where everyone feels welcome during events.

GAMES AND EVENT FORMAT

FULL ROUNDS are for groups wanting to play golf holes. We recommend 30 minutes per person, per 9-holes. Even though we have over 50 golf courses to choose from, most events do not have the time or sim space to handle this format. Each simulator can host up to 6 golfers for full rounds.

HOLE CONTESTS are a great way to involve all of your guests. We offer Longest Drive, Closest to Pin, and Closest Putt. Each guest receives three (3) attempts per contest and minimal organization is needed. Guests can socialize as they walk around and choose when or if they want to compete. Depending on how many sims are rented, we can offer one or all three contests.

SHORT GAME takes only 20 minutes for a 4-person group. Here you hit ten (10) par 3 shots each, no putting is required. The better guests golf, the more points they receive. Short Game is simple, very fun, and does require much pre-planning.

OPEN PLAY AND DRIVING RANGE is where the curious golfer is fulfilled. Once games are complete, and time permitting, the serious golfers get a chance to try our technology and play a few holes.
