- Julie Agel, ATC Harbor View Injury Center, University of Minnesota
- Jennifer Hootman, PhD, ATC Centers for Disease Control (CDC)
- Julie Gilchrist, PhD Centers for Disease Control (CDC)
- Dawn Comstock, PhD University of Colorado, Denver
- Alison Snyder, PhD, ATC AT Still University
- Jim Torner, PhD University of Iowa
- Bruce Miller, MD University of Michigan

# Mission

To collect and translate—often in **collaboration with others**—sports participation, injury and treatment data into more effective programs, policies, rules, and education aimed at preventing, mitigating, and treating sports injuries more effectively

# Vision

To Promote Health and Physical Activity through Safer Sports

# Some of Our Collaborators

1. ACSM
2. AT Still University
3. Centers for Disease Control (CDC)
4. Charleston Southern University
5. Elon University
6. Harvard University
7. Indiana University
8. Medical College of Wisconsin
9. Medical University of South Carolina
10. Michigan State University
11. NATA
12. NCAA Sport Science Institute
13. National Center for Catastrophic Sports Injury Research
14. National Counsel on Youth Sports
15. National Youth Sport Health and Safety Institute
16. Ohio University
17. Regenstrief Institute
18. Riley Children's Hospital
19. Salem State University
20. St Vincent Sports Performance
21. STOP Sports Injuries
22. The Pennsylvania State University
23. University of Alabama
24. University of Arizona
25. University of Colorado-Denver
26. University of Connecticut
27. University of Delaware
28. University of Iowa
29. University of Maryland
30. University of Michigan
31. University of Minnesota
32. University of Missouri
33. University of North Carolina – Chapel Hill
34. University of Southern California
35. University of South Carolina
36. University of Tennessee Chattanooga
37. University of Toledo
38. University of Virginia
39. University of Washington
